Club Events 2008

Saturday 12th July: CHADS Garden Party

CHADS (Combined Handicapped and Disable Society) have once again invited the club to attend their annual garden party. This is a wonderful day out for all the family with cake, craft and plant stalls all selling produce to raise monies for the charity. It begins at 2.00pm and finishes at about 4.30pm

Saturday 19th July: The Alrewas Show

Rain stopped play at last year's event, which was a huge disappointment, as we were due to demonstrate there for the very first time. The club has promised to attend this year's event and everyone hopes that the bad weather is not repeated. For full details please visit their fantastic website at www.alrewasshow.co.uk. It begins at 9.00am and finishes at about 5.00pm

Saturday 26th July: The Kings Bromley Show

The club has attended this event for the last few years and each time it seems to get better and better. It is one of the longest running country shows in the whole of Staffordshire and well worth a day out. It also has various woodturning competition classes which members are encouraged to enter. For full details, they too have a very comprehensive website that is well worth visiting at www.kingsbromleyshow.co.uk. It begins at 9.30am and finishes at about 5.00pm

Sunday 24th August: Westonbirt Arboretum - Festival of the Tree

This will be the clubs Annual Outing for 2008. Following the success of last years coach trip to Wales, we have decided to organise a similar event and hope that you will all join in again. Further details will be announced closer to the date, but for more information please either contact Geoff Payne who is organising the trip, or visit the Westonbirt website at www.forestry.gov.uk/westonbirt.
